Amman, 20.05.2020

Dear Excellency,

On behalf of the Embassy of the Federal Republic of Germany and our office I would like to extend our appreciation and gratitude to you for an outstanding support to handle the shipping of 17 caravans from the German caravan tourist group.

We have seen an impressive crises management by the Jordanian government and authorities during the corona time to support the German Embassy in all matters. Even such a minor matter as the support for shipping the caravans to Germany we received all the required assistance to coordinate the repatriation of our citizen to Amman and the ground handling for the caravans to ship them from Aqaba port back to Germany.

Particularly, Mr. M. Mustafa from Rayan Shipping Agencies Co. Ltd did an extremely well executed performance, handling the different types of caravans and represented Jordan and Aqaba to the highest extent possible!

We would also like to thank everyone, who prepared this very professionally.

On behalf of the Military Attaché Office we kindly ask you to forward this letter of gratitude and praise to all involved employees.

Additionally, I would highly appreciate if it would be possible for me or my successor to meet you personally during our next duty trip to the south of Jordan and the Royal Jordanian Navy.

Yours sincerely

Joern Rist
